

Dynamint™ website copy: Dynamint Spray and Roll-on

Dynamint™ has a refreshing peppermint smell and is non-greasy upon application...it's for use both pre and post sporting activity or by anyone with general aches and pains. Upon application Dynamint provides a gentle cooling sensation following by a feeling of 'applied heat'.

Dynamint's special formula ensures a unique penetrative performance, allowing it to get to work almost immediately: If you're looking for a natural solution then Dynamint™ is a great option. It contains Peppermint oil, Eucalyptus oil, Tea Tree oil and Calendula in a gentle cream base and contains no parabens, drugs or chemicals.

As a natural muscle relaxant, it provides soothing, cool-warm therapy to help alleviate discomfort fast - Dynamint™ is widely used by many professional sports people and therapists.

Suitable for all ages, it gets to work on muscles - exactly where it's needed - almost immediately.

Simply apply a small amount and you'll feel it working on your muscles and joints. Dynamint™ doesn't leave behind any sticky or unpleasant residues or stain your clothes.

Ingredients

Aqua (Water), Mentha Piperita (Peppermint) Oil, Mentha Arvensis Leaf Oil, Eucalyptus Globulus Leaf Oil, Phenoxyethanol, Calendula Officinalis Flower Extract, Sodium Acrylates Copolymer, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Paraffinum Liquidum (Mineral Oil), Silica, PPG-1 Trideceth-6, Glycine Soja (Soybean) Oil, Tocopherol, Limonene, Linalool

Directions

Gently apply a generous amount of the product onto sore or strained muscles and joints. Apply as often as needed.

Warnings

For external use only. Not to be used on broken skin. Keep out of reach of children. Avoid contact with eyes. If contact occurs, flush eye with copious amounts of water immediately. If irritation persists, consult physician. Do not use during pregnancy.
