

Dynamint™ muscle cream

Made from 95% natural ingredients and contains Peppermint, Tea Tree, Eucalyptus and Calendula and is specially formulated to for aching muscle and joints

Dynamint is SLS and Paraben free

Dynamint is for aches and pains, and for muscular and joint problems. Dynamint has a refreshing peppermint smell and is non-greasy upon application.

The cream is for anyone with general aches and pains or for use for both pre and post sporting activity. Upon application the cream provides a gentle cooling sensation following by a feeling of 'applied heat'.

Dynamint™ features

- Natural ingredients
- Fast acting
- Non-greasy
- Non-staining
- Refreshing peppermint smell
- Cool-warm sensation
- For aching muscles & joints
- Pleasant to use
- Rapid absorption

Suitable for **all ages**, it gets to work on muscles - exactly where it's needed - almost immediately. It's especially useful in cases of over exertion or pre and post competitive sports activity.

How to use: Simply apply a small amount of this non-greasy soothing cream and, within seconds, you'll feel it working on your muscles. Dynamint doesn't leave behind any sticky or unpleasant residues or stain your clothes.

Ingredients: Aqua (Water), Mentha Piperita (Peppermint) Oil, Mentha Arvensis Leaf Oil, Eucalyptus Globulus Leaf Oil, Phenoxyethanol, Calendula Officinalis Flower Extract, Sodium Acrylates Copolymer, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Paraffinum Liquidum (Mineral Oil), Silica, PPG-1 Trideceth-6, Glycine Soja (Soybean) Oil, Tocopherol, Limonene, Linalool

Caution

For external use only.

Not to be used on broken skin.

Avoid contact with eyes: if contact occurs, flush eyes with copious amounts of water immediately.

Keep out of the reach of children.

Do not use during pregnancy.

Dynamint is water-based...therefore it's none greasy, leaves no marks on your clothes and it can be used under bandages and dressings.

It contains no lanolin, parabens (preservative) or dyes
